Delicious Vinyl Welcomes You to FreakCity

Delicious Vinyl, the LA based record label that brought you innovative artists like Tone Loc, Young MC, Fatlip, Masta Ace, The Pharcyde and The Brand New Heavies invites you to be a part of FreakCity.

DV curator Rick Ross has partnered with LA artists The Keyishe to create a unique LA-centric multimedia event space where artists, designers, directors, musicians and stylists collaborate to form a microcosmic city with endless possibilities. From private performances, fashion shows, listening parties and film screenings to community based creative classes and art exhibits, this is FreakCity: an all ages experience on Sunset Blvd. in Hollywood.

FreakCity features a state of the art DJ booth/sound system, gaming lounge, Diva Division modeling center and cutting edge fashion boutique. Current weekly events include: Tuesday creative workshops, Friday night beauty basement & runway show, Saturday night art openings and Sunday night movies. Please check schedule for more classes and events. We look forward to seeing you at FreakCity.
